Since 1929

Harradine Golf

Albert Hockey, Peter's step-grandfather, started the family's golfing practice by remodelling his first course in 1920. Peter's father designed his first course in 1929 and pursued an illustrious career until his retirement in the mid 80's.

Harradine Golf has designed, constructed, remodelled and supervised the construction of more than 200 golf course projects in Europe, Africa, Asia and the Middle East. These courses are situated in every type of terrain, from arid, rocky, dry, hot and saline deserts, to wet, humid, temperate and cold grasslands, wetlands, swamps, mountains, waste tips, agricultural fields, coastal regions and altitudes of 1,850 metres. Many Harradine Golf courses have won numerous awards and host yearly PGA tournaments. Harradine Golf always find sustainable ecological solutions and create courses for golfers, not unplayable monuments to ecology. The integration of a golf course within a site is like a heart transplant – the site must not reject it.

Harradine Golf were involved and are active in Albania, Austria, Bulgaria, Egypt, France, Georgia, Germany, Greece, India, Italy, Kazakhstan, Kuwait, Morocco, Oman, Qatar, Russia, Saudi Arabia, Serbia, Slovakia, Slovenia, Sudan, Switzerland, Tunisia and United Arab Emirates.

Since 1929

Philosophy / Concept

The “Harradine” concept relies on the natural preservation and integration of the existing topography and environment. The particular features of each site are improved or enhanced in order to create a unique course for that particular location and not just a copy of one of their courses built elsewhere.

The “Harradine” design philosophy seeks to deliver courses that are a challenge to good players whilst avoiding unnecessary hazards and frustrations to the less experienced golfer who could actually abandon the game or choose a less demanding course. “Harradine Golf” is extremely aware of this problem and the layouts incorporate several techniques to overcome this delicate situation. Golf should be enjoyable and not a drudgery!

“Harradine Golf” does not want to imitate Arizona in Switzerland or Scotland in Italy! Each course should be a local, distinct and unique experience.

The “Harradine Golf” “signature” lies in the fact that each and every individual site has a direct influence on their designs dictated by the parameters of the game and sustainable constraints imposed by ecological, environmental, administrative and ecological restrictions.

“Harradine Golf” never forgets that their best friend is the greenkeeper. This very important man will either “make” or “break” any course! “Harradine” golf courses are therefore designed to be as “maintenance friendly” as possible without unnecessary and unwarranted complications.

Since 1929

Peter Harradine

Peter is the Principal and Senior Architect of “Harradine Golf” with overall responsibility for the design and construction supervision of all “Harradine Golf” projects.

Born in 1945 next to the old golf course in Gurten (Berne, Switzerland), Peter continues the family’s golfing tradition. Peter’s contact with golf course construction started as a very young boy. His father drafted him to work on his projects during the school holidays which provided an obligatory, early and somewhat discontented experience with mud, rain, heat, freezing temperatures, rubber boots, rocks, clay, drainage, target dates, broken down machinery and all the other niceties of construction sites.

Playing golf was compulsory in the family and he received his first set of clubs at the age of six. A little practice and many rounds could not improve a handicap of 5. Frequent travel caused by his own insistence for personal supervision of the scattered sites, coupled with recurring and severe back problems followed by an operation has relegated him to a spectator who encourages his sons and his design team to play this fantastic, but oh so frustrating game!

In 1965-1966 Peter went to the U.S.A to study the theoretical and practical aspects of landscaping and golf course design and construction. Upon returning to Europe, he built and designed many courses with his father and other prominent European Architects of the time.

Since 1929

A visit to the United Arab Emirates in 1976 to investigate the possibilities of a golf course led to the subsequent establishment of the Dubai office in 1989.

Peter has personally designed and co-designed over 160 golf courses in Europe, Africa, Asia and the Middle East.

Peter is a former President of the European Institute of Golf Course Architects and the European Society of Golf Course Architects.

Since 1929

Services

Ecology

Research, co-operation and investigations with the concerned authorities, administrations and associations in order to design projects that fully comply with local and national ecological and environmental conditions and requirements.

Ecological and environmental organizations are involved in the definition of “no-go” areas within and adjacent to each site before we start the preliminary designs. Initial discussions with all concerned parties allow the team to find solutions that will facilitate the release of building permits.

If the golf course infringes on valuable ecological areas, we try to move the offending fairway, tee or green or find other compensating solutions such as the creation of new ecological zones and areas that can be colonized by indigenous flora and fauna.

Zoning Plans

Integrated zoning plans, including the routing of the golf course(s), positioning, locations and surfaces for the club house(s), hotel(s), primary, secondary and tertiary real estate, roads, car parks and other eventual sports facilities.

Specifications, Detailed Drawings and Designs

3D Montages and Fly-throughs, Visualizations of the proposed Finished Product.

Detailed designs for the golf course construction including hard and soft landscaping, irrigation, flood and landscape lighting, earth movements and construction drawings with tender documents, specifications, bills of quantities including construction and maintenance programs.

Budget Pricing

Detailed budget estimates for the construction and supervision of the complete golf course(s).

Construction Permits

Preparation and handling of all the necessary documentation required to obtain the indispensable construction permits.

Since 1929

Construction

Experienced and specialized supervisors/green keepers, horticulturists and shapers shall be made available during construction to ensure daily control and adherence to design, style and specifications.

Club house/Maintenance area/Rest huts

Providespecialized advice on player routing and particular requirements within the club house, supply dimensions, surfaces and requirements of golf maintenance areas, buildings and rest huts.

Maintenance

Supervision and advice on Golf course maintenance, training of local staff, maintenance programmes, supply of green keepers and list of machineries.

Renovation of existing courses

Re-design and site supervision for the renovation and up-grading of existing courses.

Since 1929

PGA Events / Awards

Since 1929

Golf Gerre Losone, Switzerland

Former venue of the "Deutsche Bank" EPGA' Swiss Open

* Voted Swiss Golf "Course of the Year 2014" (Schweiz ganz natürlich, 2015)

* Voted by the players as their Favorite Course on LPGA European Tour (Survey by Golf365, 2009)

Losone is the youngest of the three "Ticinesi" courses and was designed for the "Patriziato" of Losone. Construction started in 1999 and the 18 holes were opened on the 8th of September 2001.

The course is artificially and gently undulated and is crossed by an artificial stream which feeds three artificial lakes. The large rocks and stones lining the stream and lakes are typical to that particular part of the world and give the course a unique, impressive and original touch. All the rocks and stones were extracted from the sub-soil during construction.

Losone is a "Technical" course with fast greens and a good finishing hole for the spectators as it ends right in front of the club house terrace.

Losone is often described as one of the most beautiful courses in Switzerland.

Since 1929

Golfpark Gut Häusern, Germany

former venue of the "UniCredit" EPGA German Open

A fully new dimension of golf close to Munich!

The special combination of the three elements: water, sand and woods give the 18 holes championship course a very particular charisma.

The Par 74/72 course with a length of 6705 meters and six tee positions is a challenge for both sportive golfers and experienced beginners.

Peter Harradine: "With the Golfpark Gut Häusern I was finally allowed to design a golf course, with enough room!"

Since 1929

Golf Club Bad Ragaz, Switzerland

Venue of the "Credit Suisse" PGA Seniors Open

* "Swiss Golf Resort of the Year 2009" and "Swiss Golf Course of the Year 2009" (Swiss Golf)

The 18-hole Championship Course home to the "Gentlemen's Tour", as the PGA Seniors Tour is affectionately known, offers everything that golf enthusiasts could possibly desire. Beginners and professionals alike find here, a very special challenge.

Credit Suisse has been the sponsor of this prestigious event ever since the tournament was first held in 1997, and yearly attracts world-class golfers and crowds of visitors to the foothills of the Alps.

The 5700 m long symbiosis of golf and the natural world – slope 125, course rating 70.1 – was laid out by **Don Harradine** in 1957 as a flat golf course which combines the beauties of nature for all types of play. Many a golfing ace succumbs to the special charm of this course, with its exceptional standard of care, the unspoiled park setting with firs, birches and pines, the natural water hazards and the impressive mountain backdrop.

The Harradine family has been involved in the design, construction and renovation of three different courses in Bad Ragaz over 3 generations and over a period of 83 years.

Albert Hockey, the step-father of **Donald Harradine** left London with his brood in 1925 and arrived in Bad Ragaz to up-grade the old 9 hole course whilst he pursued his other duties as Club Manager and Golf professional.

Donald Harradine re-modeled the same layout in 1929 and built the existing 18 hole course in 1956 which he co-designed with Fred Hawtree.

Peter Harradine designed and supervised the construction of the "Heidiland" course which is a 9 hole "Resort" layout adjacent to the existing 18 hole course built by his father.

Since 1929

Pravets Golf & Country Club, Bulgaria

Venue of the PGA Professional Championship of Europe since 2011

Pravets Golf & SPA Resort is located just 50 km away from Sofia - easily accessible with a 45 minute drive on the Hemus highway, yet distant enough from the daily stress of the big city.

Pravets Golf Club, managed by Braemar Golf based at St.Andrews in Scotland, offers a Peter Harradine designed 18-hole, par 72, Championship golf course and a State-Of-The-Art golf academy with an extensive practice area. This parkland - style golf course boasts spectacular views of the local mountains and lake, framed by the impressive RIU Pravets Resort hotel. The par-three eighth hole is the signature hole with its challenging island green. The 9th and the 18th greens are joined in one double green, a well-known feature from the Old Course in St Andrews. The driving range offers a unique experience with its special lighting for dawn or night golfing.

The proximity of Pravets Sports Complex (multi-functional sports hall, 2 football pitches, 4 basketball and volleyball and 3 tennis courts) offers extensive opportunities for training and coaching of teams and individual athletes.

The surrounding countryside with beautiful lawns and mild hills provide excellent opportunities for riding, hunting, cycling and hiking.

Since 1929

Doha Golf Club, Qatar

Venue of the EPGA CommercialBank Qatar Masters and Ladies European Tour

* Ranked No. 2 in the Middle East by "Golf Digest" (2009)

* Voted the Best Designed Hole in the Middle East - 15th hole (2008)

Ever since 1998, the Club has hosted the prestigious Qatar Masters tournament, sponsored by Commercialbank and held in January as part of the **European and Asian PGA** tours schedule.

Each year many of the world's top golfers compete on the Club's unique and challenging desert-type Championship Course measuring 7,374 yards from the tournament tees.

Often described by the press and the players as the best course on the **European PGA tour** the Doha Golf Course is undoubtedly the **best course in the Middle East**.

Lush fairways, greens and water hazards dominate an area which 16 years ago was a barren desert landscape. To complete the transformation from desert to golf course 1 300 palm trees, 10 000 trees and 5 000 shrubs were planted together with 65 cacti imported from the Arizona desert. Seven artificial salt-water and one sweet - water lake ensures that the 50 hectares of manicured fairways and superb greens are maintained to a standard that has won unanimous praise from both PGA European and Asian Tour players and officials.

Since 1929

Abu Dhabi Golf Club, United Arab Emirates

Venue of the EPGA Abu Dhabi Golf Championship

- * Awarded Best Overall Club Experience by Middle East Golf Award (2016)
- * Awarded Best Golf Course Above 500AED of the year (2015)
- * Awarded Best Professional Golf Event - Fan Experience (2015)
- * Ranked No. 2 in the Middle East by "Golf Digest" (Reader's Choice 2013)
- * Awarded Best Course in the Middle East at the coveted Asia Pacific Golf Summit (2012/2013)
- * Voted the Most Improved Club by Middle East Golfer (2011)
- * Voted the Best Academy by Middle East Golfer (2011)
- * Voted Golf World's Top 100 Golf Courses (2010)
- * Voted the Best Sporting Club by Middle East Golfer (2010)
- * Voted the Best Golf Club of the Year by Middle East Golfer (2010)
- * Voted the Best Golf Course & Best Golf Club in the Middle East (2009)
- * Ranked No. 3 in the Middle East by "Golf Digest" (2009)
- * Voted the Best Golf Course in the Middle East (2008)

An oasis of tranquility carved out of the desert, the Abu Dhabi Golf Club is managed by **Troon Golf** and offers one of the most luxurious golf resort experiences in the Middle East.

The 18 hole championship course, home to the **PGA European Tour Abu Dhabi Golf Championship**, the largest and most prestigious sporting event in the United Arab Emirates provides a tough but fair challenge, with lush fairways, strategically placed bunkers and generous greens.

Described as a "**Super course**" by leading sections of the golfing press, the 70 hectares feature one of the finest world-class 18-hole championship golfing facility in the Middle East.

The course was designed in 1989 and certain modifications were initiated, because of the incredible improvements in the playing equipment since that time. The course has been lengthened to 7,590 yards to host the Abu Dhabi Golf Championship.

Harradine Golf tried to ensure that the alterations and additions reflected the style and vision of the original layout, thus ensuring that the integrity and concept of the original design were mostly preserved.

Since 1929

Sharjah Golf & Shooting Club, United Arab Emirates

Venue of the 2017 Sharjah Senior Golf Masters

This challenging 9-hole golf course was open for play in 2007 and is the first fully-grassed golf course in Sharjah. It boasts world class academy/training facilities with a floodlit driving range, short game area and practice green. The golf course is also fully floodlit golf which enables play well into the evening. Built around a stunning club house facility, when played twice, this wall to wall grass oasis becomes a challenging par-72 layout that stretches in excess of 7,300 yards.

Described as a pleasure to play but a challenge to score, the course features between 5 and 7 different tee locations on every hole, creating a variety of different course setup opportunities to vary the length and strategy of each hole, especially evident when playing it as an 18-hole course. A par-5 for example, could play 500 yards long on the first loop and then play over 600 yards the second time around.

The course, with its vast water features, large and challenging bunkers and unique undulations, ensure that this golfing paradise offers a fair but tough test to every level of golfer and one you will relish time and time again.

Since 1929

Al Hamra Golf Club, United Arab Emirates

Venue of the European Challenge Tour Ras Al Khaimah Golf Challenge

This first class facility is located within the Al Hamra Village development in Ras Al Khaimah, UAE, and comprises a par 72, 7,300 yard Championship standard golf course, a par 3 Academy course, driving range and swing studios.

The “Harradine Golf” brief included the complete master plan with the golf course, design of the lagoon and positioning of the real estate and club house.

Holes 1, 2, 3, 4, 5, 6,7,17 and 18, the driving range and the academy course were opened in April 2007. This loop is completely floodlit. Holes 8 to 16 were opened in April 2008. Chris White, the former golf director commented “the golfers response to the back nine opening has been phenomenal – players really are bluffed into a false sense of security on the first 7 holes until they reached the treacherous combination of 8,9,10,11 and 12 – three of these holes are beautifully shaped around one of the open lagoons and require both length and accuracy.

Since 1929

Jebel Ali Golf Resort, United Arab Emirates

former venue of the EPGA Omega Desert Classic Challenge Match

*** Voted the Middle East's Leading Golf Resort and Dubai's Leading Golf Resort (2007 and 2008)**

The 9-hole, par 36, championship standard resort course is situated within the idyllic grounds of the resort. Designed by Peter Harradine and opened in 1998, the Dubai hotel golf course has hosted the world's best players as part of the official curtain raiser to the European PGA Tour event, the Dubai Desert Classic.

Each hole is uniquely landscaped with exotic trees, shrubs and original desert flora and the Dubai hotel golf course also features a saltwater lake which comes into play on five holes. The wooden gazebos, views of the Arabian Gulf and peacocks and deer which freely roam the fairways have added a special charm to this course that is a fair and exciting challenge for golfers of all abilities.

Playing Jebel Ali gives a real sense of being on holiday!

From 1998 to 2006, Jebel Ali Golf Resort proudly played host to the annual Challenge Match and the nine-hole course has seen golfing legends such as Tiger Woods, Ernie Els, Mark O'Meara, Nick Faldo, Colin Montgomerie and many more.

JA Resorts & Hotels is the official hotel and caterer of the Omega Dubai Desert Classic and the official host of the Challenge Match.

Since 1929

Mirage City Golf Club, Egypt

Former Venue of the PGA Egyptian Open

* MENA Platinum Award for the Best Golf Club in the Middle East and Africa and rated the number one Golf Course in Egypt

A unique course carved from the desert landscape.

Golfers playing Mirage City will find themselves navigating a series of ponds, lakes and streams that offer constant choice and challenge. With careful placement of tee boxes, the course suits both the beginner and the touring professional.

Signature holes at Mirage City Golf Club include:

* Hole 8 at 578 yards and a par 5 requires you to contend with a large fairway bunker on the left side as well as water the entire stretch of the right, and then the final approach shot needs to navigate a large lake. Eagles and birdies are common, and intelligence and strategy are key to playing this hole.

* Hole 12 measures a little more than 150 yards downhill and over water. A large rock wall surrounds the back of the hole and its blooming color is a sight of sheer beauty.

* Hole 18 measures 416 yards, with a tough second shot uphill to an elevated green guarded by the winding creek.

New to Mirage City Golf Club is the 9 hole, par 32 course, first of its kind in Egypt and offering a dramatic challenge to anyone willing to test their skills.

Since 1929

Quality Golf Courses

1929 to 1949

1. **GOLF CLUB BAD RAGAZ** (Switzerland)
Design and upgrade the old course.

2. **GOLF CLUB VULPERA** (Switzerland)
Design and upgrade the 9 hole golf course.

3. **GOLF CLUB FLIMS** (Switzerland)
Design and construct a 9 hole golf course.

4. **GOLF CLUB BERNE** (Gurten / Switzerland)
Design and construct a 9 hole course.

5. **GOLF CLUB AROSA** (Switzerland)
Design and construct a 9 hole golf course.

6. **OSTSCHWEIZERISCHER GOLF CLUB** (Switzerland)
Design and construct an 18 hole golf course.

Since 1929

1950 to 1960

7. **GOLF CLUB LENZERHEIDE** (Switzerland)
Design and construct an 18 hole golf course.
* Venue of the **DHM Trophy (2004)**

8. **GOLF CLUB VARESE** (Italy)
Design and up-grade the 18 hole golf course.

9. **GOLF CLUB HECHINGEN-HOHENZOLLERN** (Germany)
Design and construct the first nine holes.

10. **GOLF CLUB PINETA DI ARENZANO** (Italy)
Design and construct a 9 hole golf course.

Since 1929

11. CIRCOLO GOLF TORINO LA MANDRIA (Italy)

Construct an 18 hole golf course. (Architect: John Morrison)

12. GOLF CLUB BAD RAGAZ (Switzerland)

Design and construct an 18 hole golf course.

* Voted "Swiss Golf Resort of the Year 2009" & "Swiss Golf Course of the Year 2009" (Swiss Golf)

*Venue of the "Credit Suisse" PGA Seniors Open / DHM Trophy (2008)

13. GOLF CLUB CERVINO (Italy)

Design and construct a 9 hole golf course.

Since 1929

- 14. GOLF CLUB BARLASSINA** (Italy)
Construct an 18 hole golf course. (Architect: Harris)

- 15. GOLF CLUB BIELLA "LE BETULLE"** (Italy)
Construct an 18 hole golf course. (Architect: John Morrison)

- 16. TEGERNSEER GOLF-CLUB BAD WIESSEE** (Germany)
Design and construct a 9 hole golf course.
(Second 9 by others)
* Venue of the DHM Trophy (2014)

Since 1929

- 17. GOLF CLUB KASSEL WILHELMSHÖHE** (Germany)
Design and construct an 18 hole golf course.

-
- 18. GOLF CLUB GSTAAD SAANENLAND** (Switzerland)
Design and construct a 9 hole golf course.

-
- 19. GOLF CLUB AUGSBURG** (Germany)
Design and supervise the construction of an 18 hole golf course.
Venue of the DHM Trophy (2010)

1961 to 1966

20. **GOLF CLUB DAVOS** (Switzerland)
Design and construct a 9 hole golf course. (Re-modelled by others in 2009)
-
21. **GOLF CLUB MONTREUX** (Aigle / Switzerland)
Design and construct an 18 hole golf course. (Re-modelled by others in 2004)
-
22. **GOLF CLUB DE GENEVE** (Onex / Switzerland)
Design and re-model the 18 hole old course.
-
23. **GOLF CLUB BAD PYRMONT** (Germany)
Design and construct a 9 hole golf course.
-
24. **GOLF CLUB LANZO D'INTELVI** (Italy)
Design and construct a 9 hole golf course.

25. **GOLF & COUNTRY CLUB SCHÖNENBERG** (Switzerland)
Design and construct an 18 hole golf course.

26. **GOLF CLUB BREITENLOO** (Zurich / Switzerland)
Construct a 9 hole golf course. (Architect: Frank Penninck)
-
27. **GOLF CLUB OAK CITY** (Maryland / United States of America)
Supervise the construction of an 18 hole golf course. (Architect: Eddy Ault)
-
28. **ATLANTIC GOLF CLUB** (New Jersey / United States of America)
Supervise the construction of an 18 hole golf course. (Architect: Eddy Ault)

- 29. GOLF CLUB ROCHEFORT EN YVELINES** (France)
Up-grade and re-construct an 18 hole golf course.

- 30. GOLF CLUB GLYFADA** (Athens / Greece)
Design and construct an 18 hole golf course.

- 31. GOLF CLUB D'OPIO VALBONNE** (Cannes / France)
Design and construct an 18 hole golf course.
(Re-modelled by others)

- 32. GOLF CLUB SCHLOSS MYLLENDONK** (Germany)
Design and supervise the construction of an 18 hole golf course.

- 33. GOLF CLUB OBERFRANKEN** (Germany)
Design and supervise the construction of an 18 hole golf course.

- 34. GOLF CLUB KONSTANZ** (Germany)
Design and construct an 18 hole golf course.

- 35. GOLF CLUB HEILBRONN-HOHENLOHE** (Germany)
Design and construct a 9 hole golf course.

- 36. GOLF CLUB CHAUMONT EN VEXIN** (France)
Design and construct a 9 hole golf course.

1967 to 1972

- 37. GOLFCLUB INTERLAKEN-UNTERSEEN** (Switzerland)
Design and construct an 18 hole golf course. (Re-modelled by others in 2004)
* Venue of the DHM Trophy (2000)

- 38. GOLF CLUB DE NÎMES-CAMPAGNE** (Nîmes / France)
Design and construct an 18 hole golf course.

Since 1929

-
- 39. GOLF & COUNTRY CLUB REGENSBURG** (Germany)
Design and construct an 18 hole golf course.
-

- 40. GOLF CLUB DAVOS** (Switzerland)
Design and construct the second nine.
(Re-modelled by others in 2009)
-

- 41. GOLF CLUB SEEFELD WILDMOOS** (Austria)
Design and construct an 18 hole golf course.
* Venue of the DHM Trophy (1999)

-
- 42. GOLF CLUB OBERSCHWABEN BAD-WALDSEE** (Germany)
Design and construct an 18 hole golf course.
-

- 43. GOLF CLUB LUGANO** (Switzerland)
Design and construct an 18 hole golf course on the site of the old 9 hole course.
(Re-modelled by others from 1992 to 2000)
-

- 44. GOLF CLUB DU RHIN** (France)
Design and supervise the construction of an 18 hole golf course.
(Re-modelled by others from 2005 to 2011)
-

- 45. GOLF CLUB CORFU** (Greece)
Design and supervise the construction of an 18 hole golf course.

-
- 46. GOLF CLUB ESSEN-HEIDHAUSEN** (Germany)
Design and construction of an 18 hole golf course.

- 47. GOLF CLUB HEIDELBERG-LOBENFELD** (Germany)
Design and construct an 18 hole golf course.

- 48. GOLF CLUB HARDENBERG-GÖTTINGEN** (Germany)
Design and construct an 18 hole golf course.

- 49. ALTENHOF GOLF CLUB** (Germany)
Design and construct an 18 hole golf course. (Re-modelled by others)

- 50. GOLF CLUB SAARBRÜCKEN** (Germany)
Design and construct an 18 hole golf course.

- 51. GOLF CLUB LINZ-ST.FLORIAN** (Tyllisburg / Austria)
Design and construct an 18 hole golf course. (Re-modelled by others)

Since 1929

- 52. GOLF CLUB GARMISCH-PARTENKIRCHEN** (Oberau / Germany)
Design and construct a 9 hole golf course.

- 53. GOLF CLUB BAYERWALD** (Waldkirchen / Germany)
Design and construct a 9 hole golf course.

- 54. GOLF CLUB BREITENLOO** (Zurich / Switzerland)
Design and supervise the construction of the second nine holes. (Re-modelled by others in 2004)

- 55. GOLF & COUNTRY CLUB ST. EURACH** (Germany)
Design and construct an 18 hole golf course.

- 56. GOLF CLUB ECKENFOERDE** (Germany)
Design and construct an 18 hole golf course.

Since 1929

1973 to 1978

- 57. GOLF CLUB VILLARS** (Switzerland)
Design and construct a 9 hole golf course. (Re-modelled by others in 1995)
-

- 58. ROTTALER GOLF & COUNTRY CLUB EGGENFELDEN** (Germany)
Design and supervise the construction of an 18 hole golf course.
-

- 59. GOLF CLUB ERDING-GRÜNBACH** (Germany)
Design and construct a 9 hole golf course.
-

- 60. GOLF CLUB BAD-BRAMSTEDT** (Germany)
Design and construct a 9 hole golf course.

- 61. GOLF CLUB AFANDOU** (Greece)
Design and supervise the construction of an 18 hole golf course.
-

- 62. GOLF CLUB STRASBOURG** (France)
Design and construct a 9 hole golf course.
-

- 63. GOLF CLUB WASSERBURG ANHOLT** (Germany)
Design and supervise the construction of an 18 hole golf course.
-

- 64. GOLF CLUB CHAUMONT EN VEXIN** (France)
Design and construct the second nine holes.
-

- 65. GOLF CLUB BLED** (Slovenia) [Venue of the DHM Trophy \(2005, 2009 & 2013\)](#)
Design and supervise the construction of an 18 hole golf course. (Re-modelled by others from 2014 to 2017)
-

- 66. GOLF CLUB VESTISCHER RECKLINGHAUSEN** (Germany)
Design and construct an 18 hole golf course.

- 67. GOLF CLUB DE SAINT CYPRIEN** (France)
Supervise the construction of the 27 hole course and install an automatic irrigation system.
-

- 68. GOLF RESORT SONNENALP-OBERALLGÄU** (Germany)
Design and construct an 18 hole golf course.

- 69. GOLF CLUB GARMISCH-PARTENKIRCHEN** (Oberau / Germany)
Design and supervise the construction of the second nine holes.

- 70. GOLF CLUB SCHMITZHOF** (Germany)
Design and supervise the construction of an 18 hole golf course.
-

- 71. GOLF & COUNTRY CLUB ZÜRICH** (Switzerland)
Design and up-grade the existing course. (Re-modelled by others in 2017)
-

- 72. CAPELLE AAN DEN IJSSEL GOLF & COUNTRY CLUB** (Holland)
Design and supervise the construction of an 18 hole golf course.

Since 1929

73. GOLF CLUB BAD WÖRISHOFEN (Germany)

Design and supervise the construction of an 18 hole golf course.

74. BIELEFELDER GOLF CLUB (Germany)

Design and construct a 13 hole golf course.

75. GOLF CLUB INGOLSTADT (Germany)

Design and construct an 18 hole golf course.

76. GOLF CLUB BAD-HOMBURG (Germany)

Design and construct a 9 hole golf course.

1979 to 1984

- 77. COULONDRES GOLF CLUB** (France)
Design and construct an 18 hole golf course.
-

- 78. GOLF CLUB TAUNUS WEILROD** (Germany)
Design and construct an 18 hole golf course.
-

- 79. GOLF CLUB SCHLOSS KLINGENBURG** (Germany) * Venue of the DHM Trophy (2002)
Design and construct an 18 hole golf course.

- 80. GOLF CLUB DEGGENDORF AUF DER RUSEL** (Germany)
Design and supervise the construction of a 9 hole golf course.

- 81. GOLF CLUB BONMONT** (Switzerland)
Design and supervise the construction of an 18 hole golf course.

Since 1929

- 82. GOLF CLUB SCHAUMBURG** (Germany)
Design and construct an 18 hole golf course.
-

- 83. GOLF CLUB HOCHSTATT HÄRTSFELD-RIES** (Germany)
Design and construct an 18 hole golf course.
-

- 84. GOLF CLUB BEUERBERG** (Germany)
Design and construct an 18 hole golf course.

- 85. GOLF CLUB SCHLOSS LIEBENSTEIN** (Germany)
Design and supervise the construction of an 18 hole golf course.
-

- 86. GOLF CLUB SYLT** (Germany)
Design and supervise the construction of an 18 hole golf course.

- 87. GOLF CLUB ZELL AM SEE** (Austria)
Design and supervise the construction of an 18 and 9 hole golf course.
* Venue of the DHM Trophy (2003)

Since 1929

- 88. GOLF CLUB STIFTLAND** (Germany)
Design and supervise the construction of an additional 9 holes to the previously constructed course.
-

- 89. GOLF CLUB WALDBRUNNEN** (Germany)
Design and construct a 9 hole golf course.
-

- 90. GOLF CLUB HAGHOF** (Germany) * Venue of the DHM Trophy (2006)
Design and supervise the construction of a 9 hole golf course.

- 91. GOLF CLUB WALDBRUNNEN** (Germany)
Design and supervise the construction of an 18 hole golf course.
-

- 92. GOLF CLUB SCHLOSS ELKOFEN** (Germany)
Design and supervise the construction of a 9 hole golf course.

- 93. GOLF CLUB BAD-KLEINKIRCHHEIM** (Austria) * Venue of the DHM Trophy (2015 & 2016)
Design and supervise the construction of an 18 hole golf course.

1985 to 1990

- 94. GOLF CLUB STRASBOURG** (France)
Design and supervise the construction of the second nine holes.
-

- 95. GOLF CLUB SCHLOSS PICHLARN** (Austria)
Design and supervise the construction of an 18 hole golf course.

- 96. GOLF CLUB DE METZ CHERISEY** (France)
Design and supervise the construction of the second nine holes. (first nine designed by Fred Hawtree)

- 97. GOLF CLUB RIEDERALP** (Switzerland)
Design and supervise the construction of a 9 hole golf course.
-

- 98. GREVELINGENHOUT GOLF CLUB** (Bruinisse / Holland)
Design and supervise the construction of an 18 hole golf course.

Since 1929

99. GOLF CLUB REIT IM WINKL (Germany)
Design and supervise the construction of an 18 hole golf course.

100. GOLF CLUB SCHLOSS REICHERSHAUSEN (Germany)
Design and supervise the construction of a 9 hole golf course.

101. GOLF CLUB HERFORD (Germany)
Design and supervise the construction of a 9 hole golf course.

102. DONAU GOLF CLUB PASSAU-RABBACH (Germany)
Design and supervise the construction of an 18 hole golf course.

103. GOLF CLUB ERDING-GRÜNBACH (Germany)
Design and supervise the construction of the second nine holes.

104. GOLFPARK KLOPEINERSEE (Südkärnten / Austria)
Design and supervise the construction of an 18 hole golf course.

Since 1929

105. GOLF CLUB LIPICA (Slovenia)

Design and supervise the construction of a 9 hole golf course.

106. GOLF CLUB GERMIGNY L'EVEQUE (France)

Design and supervise the construction of a 9 hole "Executive" golf course.

107. KAISERWINKL GOLF KÖSSEN (Austria) * Venue of the DHM Trophy (2007 & 2011)

Design and supervise the construction of an 18 hole golf course.

108. GOLF CLUB FÖHR (Germany)

Design and supervise the construction of a 9 hole golf course.

109. GOLFCLUB ALTÖTTING BURGHAUSEN-SCHLOSS PIESING (Germany)

Design and supervise the construction of a 9 hole golf course.

110. GOLF CLUB DE MAISON BLANCHE (Echenevex / France)

Design and supervise the construction of an 18 hole golf course and a 9 hole "Executive" course.

111. AMARANTE GOLF PLAZA-SAINTE MAXIME (France)

Design and supervise the construction of an 18 hole golf course.

112. GOLF CLUB DES SEPT TOURS (Tours / France)

Design and supervise the construction of an 18 hole golf course.

113. GOLF & COUNTRY CLUB GUT UHLENHORST (Germany)

Design and supervise the construction of an 18 hole golf course.

1991 to 1996

114. GOLF CLUB HAMBURG HOLM (Germany)

Design and supervise the construction of an 18 hole golf course.

115. GOLF CLUB VERBIER (Switzerland)

Design and supervise the construction of an 18 hole golf course.

Since 1929

- 116. GOLF CLUB KÖNIGSFELD** (Germany)
Design and supervise the construction of an 18 hole golf course.
-

- 117. GOLF CLUB VICENZA** (Creazzo / Italy) "VILLA DEGLI OLMI"
Design and supervise the construction of a 9 hole golf course.

- 118. GOLF CLUB HECHINGEN-HOHENZOLLERN** (Germany)
Design and supervise the construction of an additional 9 holes to the existing course.

- 119. GOLF CLUB OBERZWIESELAU** (Germany)
Design and supervise the construction of an 18 hole golf course.
-

- 120. GOLF CLUB MAIN-SPESSART** (Germany)
Design and supervise the construction of a 9 hole golf course.
-

- 121. GOLFCLUB ALTÖTTING BURGHAUSEN-SCHLOSS PIESING** (Germany)
Design and supervise the construction of the additional 9 holes.

122. GOLF GRAD MOKRICE (Slovenia)

Design and supervise the construction of an 18 hole golf course.

123. GOLF CLUB STEIGERWALD IN GEISELWIND (Germany)

Design and supervise the construction of an 18 hole golf course.

124. GOLF CLUB ASIAGO (Italy)

Design and supervise the construction of an 18 hole golf course on the site of an existing 9 hole course.

125. GOLF CLUB DE PLOMBIERES-LES-BAINS (France)

Design an 18 hole golf course.

(The responsibility for the construction supervision was delegated to the former french partner)

126. GOLF PLATZ ESCHENHOF (Germany)

Design and supervise the construction of an 18 hole golf course.

Since 1929

127. GOLF CLUB BAD ÜBERKINGEN (Germany)

Design and supervise the construction of an 18 hole golf course.

128. GOLF CLUB KARACHI (Pakistan)

Design and supervise the construction of 27 holes on the existing 18 hole course. (Re-modelled by others)

129. GOLF CLUB ABU-DHABI (United Arab Emirates)

Design the zoning plan to include the club house, tennis courts, swimming pool, car park, 18 hole championship and 9 hole "Executive" course and supervise the construction of the entire project.

- * Awarded UAE's Best Golf Course at World Golf Awards (2018)
- * Awarded Abu Dhabi's Best Golf Course at World Golf Awards (2018)

- * Voted the Best Golf Course & Best Golf Club in the Middle East (2009)
- * Ranked No. 3 in the Middle East by "Golf Digest" (2009)
- * Voted the Best Golf Course in the Middle East (2008)

130. DOHA GOLF CLUB (Qatar)

Design and supervise the construction of an 18 hole golf course with a 9 hole "Executive" course

- * Venue of the EPGA CommercialBank Qatar Masters and Ladies European Tour
- * Ranked No. 2 in the Middle East by "Golf Digest" (2009)
- * Voted the Best Designed Hole in the Middle East - 15th hole (2008)

131. GOLF CLUB ESCHENRIED (Germany)

Design and supervise the construction of an 18 hole public golf course.

132. GOLF CLUB D'ALGER (Algeria)

Design and supervise the construction of an 18 hole golf course.

133. GOLF CLUB KÜSSNACHT AM RIGI (Switzerland) * WWF Certified (1996)

Design and supervise the construction of an 18 hole golf course.

**134. GOLF CLUB AM DONNERSBERG** (Germany)

Design and supervise the construction of an 18 hole golf course.

**135. GOLF CLUB LES GETS** (France)

Design an 18 hole golf course.

(The responsibility for the construction supervision was delegated to the former french partner)

136. GOLF PARK SCHLOSS GUTTENBURG (Germany)

Design and supervise the construction of a 9 hole course with golf academy.

- 137. GOLF CLUB POTTENSTEIN-WEIDENLOH** (Germany)
Design and supervise the construction of an 18 hole golf course.
-

- 138. GOLF CLUB SEDRUN** (Switzerland)
Design and supervise the construction of a 9 hole alpine course with driving range.

- 139. MIRAGE CITY AND GOLF COURSE** (Cairo / Egypt)
Design the zoning plan to include an 18 hole golf course, real estate and hotels and supervise the construction of the 18 hole golf course.

* Former Venue of the PGA Egyptian Open

* MENA Platinum Award for the Best Golf Club in the Middle East and Africa and rated the number one Golf Course in Egypt

- 140. GOLF CLUB ANTHAL - WAGINGER SEE** (Germany)
Design and supervise the construction of a 9 hole golf course.
-

- 141. GOLF CLUB NUOLEN** (Switzerland)
Design and supervise the construction of a 9 hole golf course with golf academy.
* GEO Certified (2001 and 2012)

Since 1929

- 142. GOLFCLUB DONAUWÖRTH GUT LEDERSTATT** (Germany)
Design and supervise the construction of an 18 hole golf course.
-

- 143. GOLF CLUB VILSBIBURG** (Germany)
Design and supervise the construction of a 9 hole public course.
-

- 144. GOLFPARK MEERBUSCH** (Germany)
Revise a previous plan designed by Don Harradine. Re-design greens and various holes and supervise the construction of 18 holes.

1997 to 2002

- 145. GOLF CLUB SCHÖNBUCH** (Germany)
Design and supervise the construction of a 27 hole facility by modifying the existing 18 hole golf course.

- 146. GOLF CLUB GSTAAD SAANENLAND** (Switzerland)
Design and supervise the construction of the second nine holes, re-model an up-grade the existing nine.

Since 1929

147. GOLF CLUB BAD AROLSEN - TWISTESEE (Germany)
Design and supervise the construction of the first 9 holes. (18 holes to follow)

148. GOLF CLUB PATRIZIALE ASCONA (Switzerland)
Design and supervise the construction of a fully automated irrigation system.

149. GOLF CLUB HAGHOF (Germany) * **Venue of the DHM Trophy (2006)**
Design and supervise the construction of the additional 9 holes, re-model and up-grade the existing nine.

150. JEBEL ALI GOLF RESORT (Dubai / United Arab Emirates)
Design and supervise the construction of a 9 hole golf course.

* Former venue of the EPGA Jebel Ali Challenge

* Voted the Middle East's Leading Golf Resort and Dubai's Leading Golf Resort (2007 and 2008)

151. GOLF CLUB DE LAVAUX (Switzerland)
Design and supervise the construction of an 18 hole golf course.

152. GOLF PARK GÖPPINGEN (Germany)

Design and supervise the construction of a 9 hole golf course.

153. GOLF CLUB YBRIG (Switzerland)

Design and supervise the construction of an 18 hole golf course.

**154. GOLF CLUB AROSA** (Switzerland)

Design and supervise the construction of a 9 hole extension to the existing 9 holes.
(re-modelling of the existing nine to follow)

* Venue of the DHM Trophy (2012)

**155. GOLF CLUB SCHLOSS ELKOFEN** (Germany)

Design and supervise the construction of a 9 hole extension to the existing course.

156. GOLF CLUB PATRIZIALE ASCONA (Switzerland)

Up-grading of holes no. 2,8 and 10 and build an artificial lake.

157. GOLF CLUB "LE GERRE" LOSONE (Switzerland)

Design and supervise the construction of an 18 hole golf course with golf academy.

* Former venue of the "Duetsche Bank" ELPGA' Swiss Open

* Voted Swiss Golf "Course of the Year 2014" (Schweiz ganz natürlich, 2015)

* Voted by the players as their Favorite Course on LPGA European Tour (Survey by Golf365, 2009)

**158. GOLF DI MONTECHIARELLO** (Reggio Calabria / Italy)

Design and supervise the construction of a 9 hole "executive" golf course.

**159. GOLF CLUB THERMENGOLF BAD FÜSSING-KIRCHHAM** (Germany)

Design and construct an 18 hole golf course with golf academy.

160. ROYAL GOLF DE TANGER (Morocco)

Design and supervise the re-construction and renovation including re-routing of the existing 18 holes.

161. GOLF CLUB DE SION (Switzerland)

Design and supervise the construction of an 18 hole golf course.

2003 to 2013

162. GOLFPARK GUT HÄUSERN (Germany) * Former venue of the UniCredit EPGA German Open

Design and supervise the construction of an 18 hole golf course.

163. GOLF CLUB DEGGENDORF AUF DER RUSEL (Germany)

Design and supervise the construction of a 9 hole extension to the existing course.

164. ARABIAN RANCHES (Dubai / United Arab Emirates)

Provide logistical support and construction management for the “Desert course” laid out by Ian Baker Finch in conjunction with Nicklaus design.

165. MIRAGE CITY AND GOLF COURSE (Cairo / Egypt)

Design and supervise the construction of a 9 hole “Executive” Course including the positioning of the real estate and club house.

Since 1929

166. GOLF CLUB BONMONT (Switzerland)

Upgrading of holes 1, 2, 3, 4, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17 and 18.

167. CREEKSIDE GOLF COURSE (Dubai / United Arab Emirates)

Provide logistical support and construction management for the re-construction of the creekside golfcourse designed by European Golf Design in conjunction with Thomas Bjorn.

168. FLOWER OF THE EAST GOLF COURSE (Kish Island / Iran)

Design and supervise the construction of 18 hole golf course and an academy course with practice facilities, driving range, pitching and putting greens and a complete zoning plan to include footprints of the club house, real estate, roads, hotel and golf courses. (Construction stopped due to the economic meltdown)

169. GOLFCLUB AM NATIONALPARK BAYERISCHER WALD (Grafenau / Germany)

Design and supervise the construction of an 18 hole golf course.

170. GOLF CLUB PATRIZIALE ASCONA (Switzerland)

Re-Design and construction supervision of Greens no. 8,12,13 and 18.

Since 1929

171. GOLF CLUB HEIDILAND (Bad Ragaz / Switzerland)

Design and supervise the construction of a 9 hole "Executive" Course.

172. SHARJAH GOLF AND SHOOTING CLUB (United Arab Emirates)

Design and supervise the construction of a 9 hole golf course around an existing club house which was used for the shooting club. Design the complete zoning plan by providing footprints and locations of the real estate and internal roads.

- * Venue of the 2017 Sharjah Senior Golf Masters
- * Amateur Tournament of the Year, The Conares Golf Society League by Sport360 (2015)
- * Voted the Best New Golf Development in the Middle East (2008)

173. SAHARA GOLF RESORT (Equestrian Club / Kuwait)

Design the master plan to include access roads, location of the club house, real estate and an 18 hole golf course inside and surrounding the race track including construction supervision of the golf course.

- * Venue of the 2016 PGA Mena Tour

Since 1929

174. GOLF CLUB AL HAMRA (Ras Al Khaimah / United Arab Emirates)

Design the zoning plan to include location of the club house, real estate, roads, hotels and 18 hole golf course and a “pitch and putt” including construction supervision of the golf courses.

* Venue of the European Challenge Tour RAK Golf Challenge

* The National: Rated 7th Best Course in the Emirates (2011)

175. KORINEUM GOLF AND BEACH RESORT (Northern Cyprus)

Alter elevations and modeling on various holes already routed and designed by another architect.

Alterations were important but limited as the trees were already cut so the actual routing could not be changed.

176. GOLF CLUB BOULDER HILLS (Hyderabad / India)

Design the zoning plan to include location and footprints of the club house, real estate, roads, hotel and 18 hole golf course including construction supervision of the golf course.

177. GOLF CLUB SVIYAGA HILLS-KAZAN (Tatarstan / Russia)

Design the zoning plan to include location of the real estate, roads, hotel and an 18 and 9 hole golf course including construction supervision of the first 9 holes (second 9 to follow).

178. GOLF CLUB BLUMISBERG (Switzerland)

Design and supervise the up-grading of holes 13-17 including the construction of two streams at holes 16 and 17 to re-activate the original water course which was diverted and channelled in underground pipes by farmers over 200 years ago!

Design and supervise the construction of a lake between holes 5 and 13.

179. THE HERITAGE GOLF RESORT (Mysore / India)

Design and supervise the construction of an 18 hole tournament course and a 9 hole executive course with practice facilities. Design the complete zoning plan including location of real estate, clubhouse, hotel, convention centre etc. (Construction stopped due to the economic meltdown)

180. MUDON (Dubai / United Arab Emirates)

Design and supervise the construction of an 18 hole golf course with practice facilities within an existing real estate master plan, which left three restrictive pockets of land to accommodate the golf course. (Construction stopped due to the economic meltdown)

Since 1929

181. HILL SPRINGS GOLF CLUB (Hyderabad / India)

Design and supervise the construction of an 18 hole golf course. Design to include location of the club house, access roads, driving range etc. (Construction stopped due to the economic meltdown)

182. SHARJAH GOLF CLUB (United Arab Emirates)

Design complete zoning plan for the golf course club house and real estate including the construction supervision of an 18 hole golf course with a 9 hole PAR 3 practice facility and driving range. (Construction was stopped due to the economic meltdown)

183. GOLF CLUB PRAVETS (Bulgaria)

Design & construction supervision of an 18 hole golf course with generous training facilities. Design the complete zoning plan by providing footprints and locations of the clubhouse, extension to the existing hotel, villas, town houses, roads, bungalows, children's playgrounds, marina & recreational facilities.

* Venue of the PGA Professional Championship of Europe since 2011

Since 1929

184. GOLF CLUB FENTI (Sudan)

Design and supervise the construction of a 9 hole course with ample practice facilities. The master plan included the location of the club house and real estate.

185. UPTOWN CAIRO (Cairo / Egypt)

Design and supervise the construction of an 18 hole golf course for EMAAR with driving range and golf academy on a very unusual site overlooking the Cairo citadel. Negotiate with the client and urban architects to maximise sustainability by altering the previously approved master plan.

186. GOLF CLUB CORTINA (Italy)

Design and supervise the construction of a 9 hole golf course with driving range in the most "chique" winter resort of Italy and site of the 1956 Winter Olympics.

Since 1929

187. GOLF CLUB AL MARASSI (Egypt)

Design and supervise the construction of an 18 hole golf course for EMAAR. Negotiate with the client and urban architects to maximise sustainability within the previously approved master plan.

2014 to 2019

188. BIELEFELDER GOLF CLUB (Germany)

Design and construction supervision of 5 additional holes to the existing layout designed by Don Harradine in 1978.

189. THE TRACK-MEYDAN GOLF (Dubai / United Arab Emirates)

Up-grade and restore nine holes at the old Nad Al Sheba course by re-designing the greens, driving range and most fairways. Scope included construction supervision.

* Ranked Middle East's Best 9 Hole Golf Course (World Golf Awards, 2017)

* Ranked Middle East's Best 9 Hole Golf Course (World Golf Awards, 2016)

* Ranked the Sixth Best Nine Hole Course outside of the U.S. by Golf Digest (2013)

190. GOLF CLUB JEBEL SIFAH (Muscut / Oman)

Design and supervise the construction of 18 holes within a real estate project.

191. GOLF CLUB SVIYAGA HILLS-KAZAN (Tatarstan / Russia)

Design and supervise the construction of the second nine holes in Kazan including zoning for the realestate. The second nine are even more spectacular than the first nine.

192. LEGENDS GOLF COURSE (Dubai / United Arab Emirates)

Design and supervise the construction of a 9 hole course in “Dubailand” within an existing master plan.

193. GOLF CLUB AROSA (Switzerland)

Re-Design and supervise the construction of the first 9 holes designed and constructed by Donald Harradine in 1947.

194. GOLF CLUB LUGANO (Switzerland)

Design and supervise alterations to 5 greens and the closure of 44 superfluous bunkers inserted previously by another architect.

195. GOLF CLUB ASCONA (Switzerland)

Design and supervise alterations to 4 greens, planting and the closure of 36 superfluous bunkers.

2020 to 2023

196. GOLF CLUB CAPITAL SMART CITY ISLAMABAD (Pakistan)

Design and supervise the construction of an 18 hole golf course surrounded by real estate and on an absolutely incredible site.

197. AK BARS GOLF COURSE (Tatarstan / Russia)

Design and supervise the construction of an 18 hole golf course and practice facilities on a site adjacent to the volga.

198. GOLF CLUB SEEFELD-WILDMOOS (Austria)

Design and supervise the construction of a caddy cart path that meanders along the complete course, and three lakes that will double up as strategic obstacles and water reservoirs. Design a pitch and putt on additional land next to the driving range.

Since 1929

199. GOLF DE CAMPAGNE (Nîmes / France)

Design and supervise the construction of new greens which were inaugurated on the 1.9.23.

200. VARIOUS (Total 66)

Design and supervise the construction of pitch and putts, driving ranges, putting courses and limited up-grading of existing courses.
