

The Middle East Golf Awards 2014

Celebrations begin: The 2014 MEGA winners.

The Middle East Golf Awards (MEGAs) proves to be just as successful as its inaugural year with all the region's top golfers, and the standout individuals in the golf industry being recognised and awarded.

Unlike last year, which was more about the golf courses and the behind-the-scene workers, the 2014 edition was focused on the players, with 15 new categories being introduced.

Best Male Amateur Player of the Year- Michael Harradine (UAE)

The 2014 MEGAs was presented by Maserati and supported by Troon Golf, Victory Heights and National Bank of Oman.
